GIUMARRA PARTNERS WITH AGRICOM TO PROVIDE AVOCADOS YEAR-ROUND

LOS ANGELES, CA – June 21, 2007 – The Giumarra Companies and Agricom have announced a joint partnership in the global marketing of avocados, called Giumarra Agricom Global LLC. The Giumarra Companies is a leading international network of fresh produce growers, distributors and marketers while Agricom is one of the largest and most respected Chilean fresh food exporters and the world's largest avocado exporter. Together, the alliance offers customers access to a consistent 12-month supply of avocados from California, Mexico and South America.

In announcing the partnership, Mr. Don Corsaro, President of the Giumarra Companies, noted that the Giumarra Companies and Agricom are two families each with more than five generations of experience in growing and marketing fresh fruits and vegetables for the global market. "We both have considerable experience in growing and marketing fresh avocados," noted Mr. Corsaro, "and together we believe we will be able to offer the North American market superior quality product and customer service."

With operations centered to the north, south and west of Santiago, Agricom is known for modernized agricultural practices and innovative post-harvest technologies. Agricom offers conventional, organic and Nutriclean® certified produce.

Mr. Rodrigo Barros, President of Agricom, said that he had been seeking a marketing partner in North America and that the Giumarra Companies were a natural fit. "We have similar philosophies in both growing and marketing fresh produce," he said.

Bruce Dowhan, General Manager of Giumarra Escondido said that the alliance was formed to provide a complete avocado solution for North American customers. "This partnership gives us the ability to offer our customers the freshest, best quality avocados from a global basket." He further noted, "Continuity of availability, branded programs, special packs, ripened product, category management, integrated food safety, and logistical solutions are all essential elements of the benefit that this partnership offers."

Avocados grown and shipped by Giumarra Agricom Global LLC will be available on both the east and west coasts and will be packaged under the Nature's Partner brand. At the core of the Nature's Partner brand stands a three-way partnership with customers, growers and the land. Customers can be sure that avocados shipped under the Nature's Partner brand will be the best-tasting, freshest avocados available – grown, picked, packed and shipped with care.
